Linda,

Good Afternoon.

We recently had a phone conversation with Mrs. Loretta Rudd of the department of Early Childhood Education about hosting the Race - Expo on Saturday November 3rd however due to several U of M events that day we have decided to relocate to CBU.

The event will be renamed the Mayors Race for Education - Youth Services Expo at the CBU Gymnasium from 9 til 12.

I appreciate your assistance and please let me know about your organizations participation at the Expo.

Thank you-

Nick

Hello Nick,

There is a protocol that has to be followed in order for the University of Memphis to offer acknowledgment of acceptance for an event or organization. K. B. Turner is the Associate Professor, Chair of the Department of Criminology and Criminal Justice and is the person you will need to communicate with. He needs your contact information and additional information about the organization and event. I am copying Dr. Turner on this email so that you can get that information to him directly.

Thanks.

Linda,

Good Morning.

Thank you for your organization's presence at our Celebration of Champions for Education in April. I'm working on our next event, Race for Education - Youth Expo on Saturday November 3rd. Last year your organization set up a booth during our Expo at the U of M FedEx Institute of Technology. As part of our requirement to obtain the (low cost) exhibitors space at U of M, we must gain an acknowledgement of acceptance of a Department at U of M, do you think Bill can enlist the support of the Criminology Department for our event ? I am also asking for participation of the departments of education and public health too. This year the City of Memphis will be involved as a community partner led by Ike Griffith of Youth Services. We are hoping to work out the details with 24/30 as our media partner with Mayor Strickland & Richard Ransom for an PreK awareness campaign. We hope you can be a part of our event on Saturday November 3rd.

Thanks,
Nick Musarra
